The screenshot shows a file manager interface with a toolbar at the top and a file list below. The toolbar includes a home icon, a 'Parent Directory' button, and a 'Thumbnails' button. The file list contains various image files with columns for Name, Size, and Time. Annotations with red arrows point to the home icon, the 'Thumbnails' button, and the 'Upload' button in the bottom toolbar. Three yellow callout boxes provide instructions: 'back to home directory' (pointing to the home icon), 'see small pictures and change size' (pointing to the 'Thumbnails' button), and 'slide show' (pointing to the 'Upload' button).

**back to home directory**

**see small pictures and change size**

**slide show**
